MAIL STOP
AMENDMENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: B.K. Gemmer Attorney Docket No.: LAMA122076
Application No.: 10/726,058 Art Unit: 3749 / Confirmation No: 2633
Filed: December 2, 2003 Examiner: Harold Joyce
Title: AIR TRANSFER APPARATUS

RESPONSE TO RESTRICTION REQUIREMENT

Seattle, Washington 98101

September 16, 2005

TO THE COMMISSIONER FOR PATENTS:

In response to the Office Action mailed August 24, 2005, applicant elects the species of Figure 3. Claims 1-6, 9-12, and 16-18 are believed to read on Figure 3. Applicant understands that prosecution on the merits may be restricted to these claims should no generic claim be finally held allowable. Currently, the Patent Office considers Claims 1-6, 10, 12, 13, 16 and 17 to be generic. Applicant submits that the generic claims are indeed patentable over the prior art, and therefore requests consideration of all pending claims and allowance of the application at an early date. Should any matters arise needing resolution prior to allowance, the Examiner is invited to contact applicant's attorney at the telephone number indicated below.

Respectfully submitted,

CHRISTENSEN O'CONNOR
JOHNSON KINDNESS^{PLLC}
